

Kindergarten Supply List 2017

Dear parents,

Every September, parents ask what school supplies they can send to kindergarten with their child. We have created a very specific list that would be very helpful in our very busy classroom. Please consider sending some of these items to school within the first two weeks of September. The supplies will be kept in the classroom for everyone to use. In cases where we have been brand-specific, it is because these items are of good quality, last longer than others and are non-toxic. Please note that we do **NOT** expect you to purchase all of these items, only what you can afford.

- 1 or 2 boxes of Crayola markers (thick or thin)
- 2-3 pkgs of googly eyes
- 4-6 large sized glue sticks (blue UHU brand preferred)
- 1 pkg of pipecleaners
- 1-2 pkgs. of pompoms
- 1 pkg. Beads with large holes (e.g., pony beads, alphabet beads)
- 1 pkg. of outside chalk
- 1 box each of medium and large Ziploc freezer bags
- 1 pkg. Large or small wooden clothespins
- 1 box of plastic spoons/forks. NO KNIVES.
- 1 bottle of liquid hand soap

Wish List: Here are some larger items that we would love to attain. Your help is appreciated!

- Step-2 or Little Tykes House - Second Hand (We have a small amount of money available if you find something)
- A small (out of commission) boat for the yard - see picture below

Merci beaucoup!
Mme Ellis, Mme Miller
